SEATING

TACO SEATING

WHERE STYLE MEETS FUNCTION

Helping boat builders fulfill their ultimate vision for on-the-water performance and excellence.

OPEN WATER SPORT CHAIR

PLUSH, BREATHABLE & ERGONOMIC

Introducing the plush, breathable Open Water Sport Chair – a 25” wide, aesthetically pleasing helm seat designed to keep you cool and comfortable during long boat rides. Its comfortable foam padding and sporty back cutouts not only provide ergonomic support, but also allow air to pass through at two strategic locations. The Open Water Sport Chair features dual, inset bolster rollback hinges to eliminate exposed hardware, avoid pinch points and racking, which means it can be lifted from any point on the bolster with smooth operation and no binding.

- ▶ Custom vinyl options and stitching available to OEM boat builders
- ▶ Smooth, inner bolster hinges to help avoid racking and binding
- ▶ Strong, powder-coated aluminum armrests with matching padding and material
- ▶ Ergonomic back and seat support
- ▶ Sporty back rest cutouts
- ▶ Two-tone vinyl options
- ▶ Meets ABYC H-31 impact test requirements
- ▶ Made in the USA

ABACO SPORT BENCH

LONG-LASTING COMFORT AT SEA

Introducing the 53” Abaco Sport Bench. This ergonomically designed bench provides superior support and relaxation during longer, faster boat rides for the captain and passengers. This bench features a dual rollback seat bolster, available in a 50/50 split, three adjustable armrests with brackets on both port and starboard and a center hinge that folds the middle armrest flush into the sea back. The center armrest includes two stainless steel Type-316L cup holders. The finer touches include diamond-pleated upholstery, welting, and precision-cut foam padding for ergonomic support.

- ▶ Custom vinyl options and stitching available to boat builders
- ▶ Powder-coated armrest brackets and roll-back seat hinges with recessed hinge for protection
- ▶ Dual bolster design comes in 50/50 split
- ▶ Meets ABYC H-31 impact test requirements

BOCA SPORT CHAIR

SPORTY, STYLISH & COMFORTABLE

Introducing the Boca Sport Chair – designed to provide the ultimate support and comfort for longer, faster boat rides. With adjustable armrest brackets and a rollback seat bolster, the Boca Sport Chair doubles as a leaning post. The Boca Sport Chair is made from premium quality, marine-grade vinyl fabric treated with anti-microbial and UV stabilizers. It comes with plush, anti-bacterial foam padding, which provides durable support and protection from mold and mildew. Its form-fitted sides are designed to keep boaters comfortable for long trips at the helm.

- ▶ Custom vinyl options and stitching available to boat builders
- ▶ 42" wide bench option available
- ▶ Powder-coated armrest brackets and roll-back seat hinge
- ▶ Roll-back seat bolster allows quick repositioning
- ▶ Includes foldable arm rests and an adjustable bolster
- ▶ Features a molded plastic seat back shell
- ▶ Meets ABYC H-31 impact test

BOCA SPORT BENCH

ONBOARD COMFORT & SOPHISTICATION

Experience onboard comfort at the helm like never before in the all-new 53" Boca Sport Bench. This ergonomically-designed bench provides superior support and relaxation during longer, faster boat rides for the captain and passengers. The innovative design of the Boca Sport Bench features a dual rollback seat bolster, available in a 60/40 split, and three adjustable armrests with brackets on both port and starboard and a center hinge that folds the middle armrest flush into the seat back. The center armrest also includes two stainless steel Type-316L cup holders. Diamond-pleated upholstery and precision-cut foam padding provide boaters with not only a sophisticated-looking helm bench, but with the ergonomic support needed for those long days on the water.

- ▶ Custom vinyl options and stitching available to boat builders
- ▶ Powder-coated armrest brackets and roll-back seat hinges with recessed hinge for protection
- ▶ Dual bolster design comes in 60/40 split
- ▶ Meets ABYC H-31 impact test requirements

SIESTA SPORT CHAIR

CLASSY YET FUNCTIONAL

Introducing the classy yet functional Siesta Sport Chair. Beginning at the top, the Siesta's unique design features a sporty tapered head support, which is less bulky around the crest than other helm seats. Down the center of the Siesta's body and wrapping down the front of the bolster is a stylish diamond pattern, which adds to its overall opulence. The Siesta Sport Chair features an uncomplicated bolster - providing for quick, secure adjustments that make the seat double as a leaning post. Additionally, the Siesta features strong, adjustable armrests. For larger center consoles, easily place two Siesta Sport Chairs side by side. Like all our made-in-the-USA helm seats, the Siesta Sport Chair is made from premium quality, marine-grade vinyl fabric treated with anti-microbial and UV stabilizers. It comes with plush, anti-bacterial foam padding, which provides durable support and protection from mold and mildew.

- ▶ Custom vinyl options and stitching available to boat builders
- ▶ Powder-coated armrest brackets
- ▶ Powder-coated, roll-back seat hinge with recessed hinge for protection
- ▶ Roll-back seat bolster allows quick repositioning
- ▶ Available as a 25" chair and 45" wide bench
- ▶ Meets ABYC H-31 impact test

SIESTA SPORT BENCH

SUPPORTING MORE THAN JUST THE CAPTAIN

Boat builders love the Siesta Sport Bench. It includes all the great features of the Siesta Sport Chair, but is a wider 45" version to accommodate the captain and a passenger. The Siesta Sport Bench also features twin bolsters, which means both sides double as a leaning post and are easily adjusted individually.

CAPRI HELM CHAIR DELUXE

COMFORT & VERSATILITY

The popular Capri Helm Chair Deluxe features adjustable armrests and bolster, allowing the chair to act as a seat or a leaning post – a necessity for the boating lifestyle. Using only Type-316L marine-grade stainless-steel hardware, this chair is engineered with a unique shield that secures the bolster in place, which prevents it from flipping down – ultimately eliminating dangerous pinch points.

- ▶ Custom vinyl options and stitching available to boat builders
- ▶ Available in three sizes, 23", 25" and 28"
- ▶ Universal hole pattern (on 23" and 25" models) will fit most spider mounts, seat slides & pedestals in the market
- ▶ Roll-back seat bolster for quick repositioning and helm access
- ▶ Durable fiberglass seat back shell
- ▶ Meets ABYC H-31 impact test

CAPRI HELM BENCH

SUPPORTING MORE THAN JUST THE CAPTAIN

Boat builders love the Capri Helm Bench. It includes all the great features of the popular Capri Helm Chair Deluxe, but is wider to accommodate the captain and a passenger. The Capri Helm Bench is available in 36" and 40" widths. This bench also features a unique shield that secures the bolster in place, which prevents it from flipping down – ultimately eliminating dangerous pinch points.

- ▶ Custom vinyl options and stitching available to boat builders
- ▶ Roll-back seat bolster for quick repositioning and helm access
- ▶ Durable fiberglass seat back shell
- ▶ Available in two sizes, 36" and 40"
- ▶ Meets ABYC H-31 impact test
- ▶ Made in the USA

SEAT SLIDES

FRICTIONLESS, STRONG & LOW PROFILE

TACO low-profile Seart Slide designs provide frictionless operation and are easily adaptable for a multitude of marine applications. The high-strength polymer glides provide smooth movement with a durable locking action.

LOW PROFILE ADJUSTABLE SEAT SLIDES

- ▶ Precision-machined 6000-series aluminum chassis.
- ▶ Double pin positive side lock
- ▶ Features five to seven adjustable, equally spaced positions with 5-1/2" to 3-5/8" of travel
- ▶ Meets ABYC H-31 testing standards

ELECTRIC LOW PROFILE ADJUSTABLE SEAT SLIDES

- ▶ Precision-machined 6000-series aluminum chassis.
- ▶ Rail/Linear Glide system are self-lubricating, dirt resistant, quiet, corrosion free, light weight and shock resistant
- ▶ Self-locking at any given position (at rated loads) with an electric actuator
- ▶ Features 3 - 5" of travel distance (stroke length)
- ▶ Meets ABYC H-31 testing standards
- ▶ Available with a black hard coat anodized aluminum BHC finish
